I want to thank each of you for taking the time to tour the lands of the HCP. The questions you had showed real engagement in an issue that is important to all of us. I know we had discussed a conference call for next week to discuss the traffic study and am hoping you can suggest a few windows of availability. Thanks again and have a great holiday weekend.

Regards,

Christian Spilker

Thanks to everyone there for your time and hospitality! It was a great visit - I learned a lot. I asked Connie to find a time on our calendars and coordinate with you.

Have a wonderful holiday everyone!

Christian,

It was a great visit! Thanks to everyone for taking the time to show us around. I also appreciate all the effort our teams are putting into completing the plan. Seems like we're in the final stretch, and it's coming together well. I'll let Rox and Connie represent us on the call, and I'll stay looped in with them.

Thank you!

Larry
